Rinse thoroughly. Repeat the operation. It is advisable to alternate with LOW POO depending on the characteristics of each hair.

INGREDIENTS: Aqua (Water), Cocamidopropyl Betaine, Cetearyl Alcohol, Glycerin, Hydroxypropyl Starch Phosphate, Dicaprylyl Ether, Cocos Nucifera Oil, Argania Spinosa Kernel Oil, Propylene Glycol, Aloe Ferox Leaf Extract, Guar Hydroxypropyltrimonium Chloride, Cetrimonium Chloride, Ricinus Communis Seed Oil, Sodium Chloride, Tocopheryl Acetate, Phenoxyethanol, Benzoic Acid, Dehydroacetic Acid, Sodium Benzoate, Parfum (Fragrance).

RESTRUCTURING TREATMENT OF THE HAIR FIBER

What is it?

Restructuring treatment of the hair fiber.

What does?

Regenerates the hair fiber from the inside, providing greater elasticity and resistance.

Protein Concentrate from rice, wheat, oats and quinoa. Helps to form the curl recovering the natural definition.

Moisturizes deeply, sealing the cuticle leaving hair shiny and soft.

How to use?

Restructuring treatment:

On hair previously washed with residue eliminating shampoo, Remove excess moisture with a towel. Apply from roots to ends in each section until saturated.

Massage and comb for a correct distribution. Dry with a 100% dryer at medium temperature and without shaking. The hair will be stiff and hard. Exposure time 20 minutes. Rinse with plenty of water and very carefully until all the product is removed. Apply Intensive Mask 10 minutes. Rinse thoroughly. Its use is recommended every 5 or 6 weeks, depending on the condition of the hair.

Maintenance:

On dry hair, apply the corresponding mixture of Protein Treatment (*) with a small amount (nut) of Intensive 3-in-1 Hair Mask in the middle and ends. Distribute with the fingertips. Apply more quantity of Intensive 3-in-1 Hair Mask in the middle and ends, until the hair is well impregnated.

Put on a plastic cap and apply heat for 30 minutes. Rinse thoroughly with water. Wash with Magic Curls “Low Poo” moisturizing shampoo. Condition with 3-in-1 Mask and leave for 5 to 10 minutes.

Rinse thoroughly. Its use is recommended every 2 or 3 weeks depending on the condition of the hair.

(*) Gold Protein Treatment quantity for mixing:

-Short hair: 4/6 drops.

-Medium hair: 8 drops.

-Long hair: 10/12 drops.

Frequency of use according to hair condition.

INGREDIENTS: Aqua (Water), Glycerin, Zea Mays Starch, Hydrolyzed Wheat Gluten, Hydrolyzed Corn Protein, Hydrolyzed Rice Protein, Polyquaternium-7, Guar Hydroxypropyltrimonium Chloride, Gluconolactone, Hydroxyethylcellulose, Cyamopsis Tetragonoloba Gum, Caprylyl Glycol, Calcium Gluconate, Disodium Phosphate, Sodium Phosphate, Polysorbate 60, Sodium Benzoate, Potassium Sorbate, Phenethyl Alcohol.

INTENSIVE HAIR MASK 3 IN 1

What is it?

Repairing, anti-frizz mask.

What does?

Hydrates and nourishes the hair fiber in depth, reducing frizz (frizz) to 100%: Coconut Oil, Camellia Oil and Aloe Vera . Strengthens the hair structure by providing more nerve to the curl.

Hydrolyzed soy proteins.

How to use?

Mask:

– In dry hair (PRE POO): Apply a generous amount dry by means and tips and leave to act for about 30 minutes. You can apply a plastic cap and give heat to enhance the repairing effect.

Rinse thoroughly and make LOW POO.

– In wet hair: After doing LOW POO, remove excess moisture with the towel and apply a generous amount to the middle and ends. Leave on for about 30 minutes of exposure.

Conditioner:

After doing LOW POO or COWASH, apply a sufficient amount to the middle and ends and detangle the hair. Then perform the STC technique. Rinse.

Leave in:

On hair with a high degree of porosity, apply a small amount of 3-in-1 Mask on the middle and ends and distribute evenly with the PRAYING HANG technique or praying hands. Do not rinse.

INGREDIENTS: Aqua (Water), Cocos Nucifera Oil, Betaine, Cetearyl Alcohol, Coco-Caprylate/Caprates, Butyrospermum Parkii Butter, Cetrimonium Chloride, Polyquaternium-22, Camellia Japonica Seed Oil, Persea Gratissima Oil, Hydrolyzed Soy Protein, Aloe Ferox Leaf Extract, Pentachletra Maculosa Seed Oil, Helianthus Annuus Seed Oil, Propylene Glycol, Tocopheryl Acetate, Polyquaternium-37, Propylene Glycol/Dicaprylate/Dicaprate, PPG-1 Trideceth-6, Decyl Isostearate, Isostearyl Isostearate, Tocopherol, Sorbic Acid, Phenoxyethanol, Sodium Benzoate, Parfum (Fragrance).

CUSTARDS

What is it?

Cream to define curls.

What does?

Recovers and strengthens the curl obtaining a maximum duration. Avoid frizz. Flax Seed and Ginseg.

Moisturizes and seals the cuticle and hair fiber. Coconut Oil and Jojoba Oil.

How to use?

To define: Apply the necessary amount to damp hair using the PRAYING HANG technique and give the desired style.

INGREDIENTS: Aqua (Water), Glycerin, Cellulose Gum, Butyrospermum Parkii Butter, Cocos Nucifera Oil, Simmondsia Chinensis Seed Oil, Argania Spinosa Kernel Oil, Helianthus Annuus Seed Oil, Linum Usitatissimum Seed Oil, Persea Gratissima Oil, Macadamia Ternifolia Seed Oil, Olea Europaea Fruit Oil, Rosmarinus Officinalis Leaf Extract, Pectin, Panax Ginseng Root Extract, Propylene Glycol, Citric Acid, Sodium Chloride, Caprylyl Glycol, Sodium Glycolate, Phenoxyethanol, Parfum (Fragrance).

CURL ACTIVATOR

What is it?

Curl activator gel.

What does?

Helps activate and define curls with a long-lasting effect: Soy protein. Deeply hydrates and nourishes without adding weight: Coconut Oil, Jojoba Oil, Flax Seed.

How to use?
